## Community Advantage Loan (SBA) for Small Businesses

### the CEF **advantage for bankers**

- Our SBA loans are \$75,000 to \$250,000 for new and existing small businesses
- Our underwriting guidelines are more flexible but still within SBA requirements
- We have other CEF loan products for small businesses that don't qualify for an SBA loan, allowing you to maintain your customer relationship while we service the loan
- Our other CEF loans are quicker than SBA and backed by over 40 years in servicing and underwriting experience

### the CEF **advantage for small businesses**

- Our SBA loans offer larger amounts, comparable interest rates, longer terms, and more flexible requirements relative to collateral
- We explain how to qualify for an SBA loan and provide patient, hands-on help during every step of the SBA loan process
- We offer other financing options if the SBA loan isn't a good fit and can transfer information you provide for an SBA loan to our other CEF loans
- We offer all our borrowers convenient, low or no-cost business coaching and training for the duration of their loans to help them succeed.
